

Northeastern University

External Events & Conference Housing

Location

Northeastern University is conveniently located in the heart of Boston, 6.5 miles from Boston Logan International Airport with access to multiple subway and bus on the main campus. Area attractions include the Museum of Fine Arts, Symphony Hall, Fenway Park, and many shopping and dining destinations. The Northeastern Campus has multiple à la carte dining options as well as two convenience stores. Additional grocers and pharmacies are located within a ten minute walk from campus.

Accommodations & Amenities

Northeastern University offers enhanced semi-private single and double accommodations in fully air-conditioned state-of-the-art residence halls. Each room is connected to another room via a shared bathroom. Rooms are equipped with twin-sized bed, desk, chair, dresser and closet. Linens are provided for all participants. All buildings have complimentary Wi-Fi.

On occasion, apartment-style accommodations may be available. Each bedroom is within a shared apartment that has a kitchen, living space and bathroom(s); a bed, desk and chair, dresser, and closet is available for each participant. Only participants from within a conference group will share this type of accommodation.

Linen Service: Beds will be made-up upon arrival to include 1 flat sheet, 1 fitted sheet, 1 pillow with pillowcase, and 1 thermal blanket. Additionally, participants will have 2 bath towels, hand towels, and a face cloth. Northeastern's state-of-the-art residence halls offer air conditioning, laundry facilities, secure access control and 24-hour proctored front desks as well as complimentary Wi-Fi internet. All bedrooms have windows with standard mini-blinds.

Because of the short term nature of most group stays, the following services are not standard offerings: daily room cleaning, mail/package delivery, landline phone service.

The Office of External Events and Conference Housing is committed to providing appropriate accommodations and resources to persons with disabilities, nursing mothers as well as individuals requiring certain medically-necessary provisions. In order to ensure that appropriate arrangements can be made, please contact your conference organizer when requesting housing as part of your registration process.

Summer Conference Housing Alcohol Policy

Possession and consumption of alcohol is limited to individuals of legal age in a private apartment or bedroom within a residence hall. **All occupants** of a private bedroom or apartment where alcohol is being consumed must be of legal age. **Consumption of alcohol is prohibited in all residence hall common areas.** The University expects that all of its program participants abide by University and federal regulations concerning alcohol and drug use.
